The 6th edition of the Global Startup Summit, held at the prestigious Hotel Royal Orchid in Bengaluru on March 30th, concluded on a high note, marking a significant milestone in the journey of entrepreneurship and innovation. The event, organized by the Global Startups Club, brought together a diverse array of startups, investors, and industry experts for a day of intense pitching, insightful discussions, and invaluable networking opportunities.

The highlight of the summit was undoubtedly the Global Startup Battles, where 12-15 startups showcased their groundbreaking innovations in front of a panel of top investors serving as judges. The battle pitch sessions, spanning over 4 hours, witnessed fierce competition and passionate pitches from aspiring entrepreneurs. Emerging victorious was **Intellithink**, which impressed the judges with its vision and execution, securing the title of the winner of Global Startup Summit Bengaluru 2024. Other standout startups, including **Linkroster**, **CherryCo Fanatic**, and **Synvide Business Solutions**, also captivated the audience with their innovative ideas and solutions. One of the highest highlights of the
